I rode my bicycle
past your window last night
I roller-skated
to your door at daylight

It almost seems
Like you're avoiding me
I'm okay alone
But you've got something I need

Well I bought a brand new pair of roller skates
You got a brand new key
I think that we should get together
And try them out you see

I've been looking around the world
You've got something from me
Well I've got a brand new pair of roller skates
You got a brand new key

I ride my bike
I roller-skate
Don't drive no car

Don't go to fast but I go pretty far
For somebody who don't drive
I've been all around the world
Some people say I've done alright for a girl

Well I bought a brand new pair of roller skates
You got a brand new key

I think we should get together
I've been looking around the world
You've got something from me
Well I've got a brand new pair of roller skates
You got a brand new key

Oh yeah yeah
Oh yeah yeah
Oh yeah yeah yeah

Oh yeah yeah yeah
Oh yeah yeah
Oh yeah yeah yeah

I ask your mother if you were at home
She said yeah but you weren't alone

Oh sometimes I think that you're avoiding me

I'm okay alone but you've got something I need
Well I bought a brand new pair of roller skates
You got a brand new key
I think we should get together
And try them out you see

la la la la la la
la la la la la la
la la la la la la

Oh I've got a brand new pair of roller skates
You got a brand new key
I've got a brand new pair of roller skates
You got a brand new key
