"Dance With Me"

Sometimes I just can't get cozy
My heart it pounds and my cheeks get rosy for youâ€¦
I'll wait
Stuck here in my little palace
My mind it races can't keep the pace but for youâ€¦ I'll
wait

Brings me right back here again
Where I can't be true
Brings me right back here again
Don't know what to do
Do you wanna
Dance with me (He's always late)
Dance with me (He made me wait)
But at least (He's never coming early)
(NONONONO)

Sniffle but my nose keeps running
The clock it's ticking can't stop this longing for youâ€¦
I'll wait
Inside here it's hot and sticky
With musk too sweet to pretend it's dreamy for youâ€¦
I'll wait
