I'm so moody, and they're so moody
And we're unstable and so unable to calm our bodies
Or keep shut, quiet
Hormones racing, no time for waiting
I'll feel it in the morning
I totally deserve it

We are, we are
We are, we are
Like animals, we're wild, magnetic, attractive
Kinetic, hyperactive

So vastly shaken, time to make out with the Towner
that's at the party
I'm just dizzy and kinda horny, it's way too early so just
take warning
I'll feel it in the morning
I totally deserve it

We are, we are
We are, we are
Like animals, we're wild, magnetic, attractive
Kinetic, hyperactive

We get the most, o-oh-oh-oh
Then bring it close
Take off your clothes
o-oh-oh-oh, o-oh-oh-oh oh

It's our duty to shake our booties
And be fantastic but kind of tragic
Watch the movie, it's not our choosing,
I'm self inflicted, but still your victim
Oh yeah, oh yeah, oh yeah

We are, we are
We are, we are
Like animals, we're wild, magnetic, attractive
Kinetic, hyperactive

We are, we are

We are, we are
Like animals, we're wild, magnetic, attractive
Kinetic, hyperactive

All we're living for is to die
So let's enjoy the ride,
All we're living for is to die
So let's enjoy the ride
