

## The Dollyrots

### "Hysteria"

Visit "[Hysteria](#)" on [MotoLyrics.com](http://MotoLyrics.com)

You think its funny  
To keep me waiting  
But Im not laughing its so wrong so wrong  
Its got me feeling  
Under the weather  
But you can cure me wont take too long too long

I need some of your  
Time need some of the  
Only thing that makes me calm

I like it when you touch me touch me  
You keep me waiting so long so long  
I like it when you touch me touch me  
Your kiss your kiss is curing my hysteria huh  
Uh huh

And youre my favorite  
When I cant take it  
So come on over and hold on hold on  
You kissy face me  
Cant take your teasing  
And now youre dragging me along along

I need some of your  
Time need some of the  
Only thing that makes me calm

I like it when you touch me touch me  
You keep me waiting so long so long  
I like it when you touch me touch me  
Your kiss your kiss is curing my hysteria huh

Touch me touch me  
So long so long  
Touch me touch me  
So long so long

I need some of the  
Only thing  
The only thing

The only thing that makes me calm

I like it when you touch me touch me  
You keep me waiting so long so long  
I like it when you touch me touch me  
You keep me waiting so long so long  
I like it when you touch me touch me  
Your kiss your kiss is curing my hysteria huh

Touch me touch me  
So long so long  
Touch me touch me  
So long so long  
Touch me touch me  
So long so wrong
