My best friend's hot
My best friend's hot
No matter what I do won't love me

Why don't you come on closer please
Yeah you don't know
I brush my hand across your knee
Just take it slow
Because I'm not gonna tell you all the things I might,
like

Won't you apologize to me to me to me
For being such a tease a tease a tease
You know I'm not gonna tell you all the things I might
like

My best friend's hot
My best friend's hot
No matter what I do you love me not
Woah oh oh, woah oh oh
Na na na na na naot
You love me not

I'm gonna tell you that you mean
Cause you don't show
You interrupt another dream
So out you go
Because I'm not gonna tell you all the things I might,
like

Won't you apologize to me to me to me
For being such a tease a tease a tease
You know I'm not gonna tell you all the things I might
like

My best friend's hot
My best friend's hot
No matter what I do you love me not
Woah oh oh, woah oh oh
Na na na na na not
You love me not

Na na not, na na not, na na not, na na not
Na na not, na na not, na na not, na na not
Should I tell you now,
Or go oh oh oh

Go! Go! Go! Go! Go!

Hold my hand
Put on a show
Still don't think you understand
But I've got to know
You know I'm not gonna tell you all the things I might
like

My best friend's hot
My best friend's hot
No matter what I do you love me not
My best friend's hot
My best friend's hot
No matter what I do you love me not
Woah oh oh, woah oh oh
Na na na na na not
You love me!

Na na not, na na not
Na na not, na na not
Na na not, na na not
Na na not, na na not
Should I tell you now
Should I tell you now
That I'm in love with you?
