Keep on checking around inside but I can't can't find it
Wasted all my time because I won't convince you
You tease me
You tease me
But it's not just that

Cause now I'm making up the sounds of feeling
nothing
Played me it's a joke and you just confuse me
You taunt me
You taunt me
But it's not just that

Cause now I'm crazy cracked up basket case
And you're leaving
You're my one time lover, untrue teasing
In season

And I should turn you down (down) down (down) down
And let you go (go) go (go) go
When you come, come back
Because I know
I know know know

You can't keep coming around pretending it's all
peachy
Spending all my funds on your wishy washy
Deceive me
Deceive me
But it's not just that

Cause I'm watching memories of laughing
Pictures on your bed were you just fun hunting
You kill me
You kill me
But it's not just that

Cause now I'm crazy cracked up basket case
And you're leaving
You're my one time lover, untrue teasing
In season

And I should turn you down (down) down (down) down
And let you go (go) go (go) go
When you come, come back
Because I know
I know know know know
