Three apples, a piece of pie
A jar of peanut butter and white bread
Fresh pastries, toilet paper and steak
Let's all deliver the groceries!

Deliver, deliver, deliver
The groceries, groceries, groceries
Just like David Lee Roth
Do it fast, do it now

Ian likes Doublemint Gum
Damon likes cheese whiz and beans
Pat and Mike like some domestic beer
Together they rock most righteously

Deliver, deliver, deliver
The groceries, groceries, groceries
Che likes to sing "Girl Gone Bad"
Just don't forget the beans
