Times of forgiveness passing by
My anguish stays within my torn apart soul
Fall with me

A fallen tear, lost in the darkest red
Deep within all the pain lies hidden, a shade of life
Embraced by night I arise, shaped by the theft of
innocence

Once again the...
Times of forgiveness passing by
My anguish stays within my torn apart soul
Fall with me

Enlighten my path, let your eyes guide my way
Shrouded in your sin, together we fall

Hate - guides my every step, so
Frail - is the line of your life
Depraved - the world around you
Hate

Times of forgiveness passing by
My anguish stays within my torn apart soul
Fall with me
