This wicked dream shaped and formed to life  
Standing before me, consuming my self-dignity  
Touched me with your impurity in a devoted embrace  
The hatred frozed my world in shrouded despair

Righteous are the tears that s falling  
Forever I drown into these memories, in your arms  
Righteous are the tears that s falling  
Enclosed in sin I welcome defeat, take me away

Surrounded by disgust I entered death  
Where s my pride to defend, lost in dreamlike anquish  
All my tears before now seems so trivial  
In company with loneliness I return dead inside

I face the emptiness that has become my life

Righteous are the tears that s falling  
Forever I drown into these memories, in your arms  
Righteous are the tears that s falling  
Enclosed in sin I welcome defeat, take me away

Surrounded by disgust I entered death  
Where s my pride to defend, lost in dreamlike anquish  
All my tears before now seems so trivial

This wicked dream shaped and formed to life  
Standing before me, consuming my self-dignity  
Touched me with your impurity in a devoted embrace  
The hatred frozed my world in shrouded despair

Righteous are the tears that s falling  
Forever I drown into these memories, in your arms  
Righteous are the tears that s falling  
Enclosed in sin I welcome defeat, take me away

Surrounded by disgust I entered death  
Where s my pride to defend, lost in dreamlike anquish  
All my tears before now seems so trivial  
In company with loneliness I return dead inside
