Chaff Bag Charlie's the worst horse thief
The country ever knew
With his bag of chaff he'll lead them away
He knows just what to do
He followed Jack and found their camp
And waited out of sight
Till Jack and Stumpy rode away
Then he laughed with all his might

See a shadow on the mountain
Hear the lonely dingo howl
Brumby Jack you'd better watch out
Chaff Bag Charlie's on the prowl

Little Billy saw him there
And whinnied in alarm
The bigger horses galloped up
To save the colt from harm
They circled Chaff Bag Charlie
And they wouldn't let him go
Then they all began to neigh
To let their friend Jack know

See a shadow on the mountain
Hear the lonely dingo howl
Brumby Jack you'd better watch out
Chaff Bag Charlie's on the prowl

Brumby Jack soon hurried back
When the neighing 'roused his fears
He galloped up and his stock whip cracked
'Round Chaff Bag Charlie's ears
Jack took the bag from Charlie's hands
And scattered the chaff around
Thanks for the extra feed he said
You're a gentleman I'll be bound

See a shadow on the mountain
The dingo howls as the sun goes down
Chaff Bag Charlie cold and hungry
Tramps his weary way to town
