So what if I get my hair done  
So what if I paint my toes  
So what if I spend my day trying on expensive clothes  
So what if I wear my lip gloss  
So what if I show my tan  
So what if I'm always late  
Take as much time as I can

To all you girls who wanna say to me  
Just stay you, be you and don't be me  
I'm trying to be a girly girl who bought it all the fashion  
way  
I'll be the girliest girl you've ever seen  
I wanna be a superstar living in a dream of magazines  
So don't eat the girly girl just let her be yeah yeah

I like when I'm in the spotlight  
Just acting and ready to go  
I know what I want when I want it  
No one's gonna tell me no  
Straight up do you think you're ready  
To hit on a girl like me  
To walk and just talk about it  
Tell me what it's gonna be

To all you girls who wanna say to me  
Just stay you, be you and don't be me  
I'm trying to be a girly girl who bought it all the fashion  
way  
I'll be the girliest girl you've ever seen  
I wanna be a superstar living in a dream of magazines  
So don't eat the girly girl just let her be yeah yeah

What you will see someone who's real  
Someone who wants to be up ready yeah baby yeah  
yeah yeah

I'm trying to be a girly girl who bought it all the fashion  
way  
I'll be the girliest girl you've ever seen  
I wanna be a superstar living in a dream of magazines

So don't eat the girly girl just let her be  
Won't you let her be let her be yeah yeah  
Won't you let her be let her be yeah yeah yeah  
Won't you let her be let her be.
