Wonderful baby livin' on love the sandman says maybe  
he'll take you above, up where the girls fly on ribbons  
and bows, where babies float by, just counting their  
toes. Wonderful baby nothin' but new, the world has  
gone crazy, I'm glad I'm not you. At the beginning or is  
it the end? It goes in and comes out and starts over  
again. Wonderful baby livin' on love the sandman says  
maybe he'll take you above, up where the girls fly on  
ribbons and bows, where babies float by, just counting  
their toes. Wonderful baby I'll watch while you grow. If I  
knew the future you'd be first to know. But I don't know  
nothin' of what life's about, Just as long as you live,  
you'll never find out. Wonderful baby, nothin' to fear.  
Love whom you will, but doubt what you hear. They'll  
whisper sweet things to make untrue. So be good to  
yourself, that's all you can do. You're a wonderful baby  
livin' on love the sandman says maybe he'll take you  
above, up where the girls fly on ribbons and bows,  
where babies float by, just counting their toes, where  
babies float by, just counting their toes... Ooh...
