A satiric masterpiece

No way out

A surprise smash!

No way out

It was shocking, outrageous, insulting

And I loved every minute of it!

No way out}

How could this happen?

The show was lousy and long, we did everything wrong

Where did we go right?

Christmas came early to Broadway this year

And guess who they stuffed in our stocking? Adolf
Hitler!

It was so crass and so crude even Goebbels would've
booed

Where did we go right?

Last night a star was born on Broadway the lovely Miss
Ulla

Inga Hansen Bensen Yonsen Tallen-Hallen Svaden-
Svanson

We predict that her name will soon be up in lights
If they can find enough bulbs

We searched Broadway on and off

For singers with a cough

We had tryouts and auditions by the score

And to trip the light fantastic

We picked dancers who were spastic

If anyone jetted, we jetted them out the door

They shouted hooray for that sausage on display

Where did we go right?

Our leading man was so gay he nearly flew away

Where did we go right?

A show so easy to despise

Now it's up for the Pulitzer prize

Oh, where, oh, where, tell us

Where did we go right?

The best new music of the decade!
Max Bialystock is a theatrical genius!
Now they like me

Oh, we knew we couldn't lose
Half the audience were Jews
It's the end of our careers
It'll run for twenty years
Tell us where did we go right?
