Once upon a time
People were living so peacefully
Living on the smile
And sharing what was all around
One day came a time
When money could even buy your soul,
Yes one day came a time,
Yeah, the evil of all

These are my worries
So long as I am here
But I'll never worry
So long as you are near

These are my worries
So long as I am here
But I'll never worry
So long...

Once upon a time
People were living so happily
Living on the kiss
And sharing what was all around
One day came a time
When money could even buy your soul,
Yes one day came a time,
The evil of all

These are my worries
So long as I am here
But I'll never worry
So long as you are near

These are my worries
So long as I am here
But I'll never worry
So long...

I'll never worry
No no I'll never worry
