(Bob McDill / Paul Harrison)

Darling, if you ever leave me
Well, I'll just put my heart away
I couldnt love again, believe me
No one could please me anyway.
And if another ever came along
I'd just turn them down 'cause after all.

Ive been loved by the best
I cant settle now for less,
Why bother with the rest
Baby, Ive been to the top, I guess,
With you I have been blessed
I wont take nothin' less,
Ive been loved by the best.

--- Instrumental ---

If you ever get tired of me
Well, I won't look for someone new
'Cause looking back on how you loved me
No one could measure up to you
And if they try to win this heart of mine
I just have to say, "Don't waste your time."

Ive been loved by the best
I cant settle now for less,
Why bother with the rest
Baby, Ive been to the top, I guess,
With you I have been blessed
I wont take nothin' less,
Ive been loved by the best.

When I look into your eyes I know
You're the only love I ever want
'Cause, after you and me
Baby, I can see
Nothin' else could be even close.

Ive been loved by the best

I cant settle now for less,
Why bother with the rest
Baby, Ive been to the top I guess,
With you I have been blessed
I wont take nothin less,
Ive been loved by the best...
