Ethel Rose Amistad In your Blue eyes lyrics

A little classroom a thousand I for one dance
Dance with you
Could there's little be everything you know they know
that
Buy this so safety and big this for you
Chorus:
In your blue eyes I know I know
In your blue eyes that's big with you and that's what you
see safety without you
In your blue eyes can't hiding this feeling amazing me,
this feeling amazing me, this feeling amazing me
In your blue, in your blue, in your blue eyes
In your blue, in your blue, in your blue eyes
In your blue, in your blue, in your blue eyes
Cause your blue, cause your blue amazing me

Could there's be so strong and then get your downtown
I just wanna hold your hand leaving your talking about
And there's your walk and get my mine eyes
I just want to be together about a like you surely forever
Forever can get be stronger I want our needs to be to

And there's were right and in your blue eyes I needed

And you're colors blue

In your blue, in your blue, in your blue eyes (no blue

Ohhhhh
In your blue, in your blue, in your blue eyes
Cause your blue, cause your blue amazing me

In your blue, in your blue, in your blue eyes (in your
blue eyes, in your blue eyes, in your blue eyes, in your
blue eyes)
In your blue, in your blue, in your blue eyes
Cause your blue, cause your blue amazing
me(wohhhhhh)
Instrumental

Cause your blue eyes I know I know
In your blue eyes that's big with you and that's what you
see safety without you
In your blue eyes can't hiding this feeling amazing me,
this feeling amazing me, this feeling amazing me!
