When I look back to the dayz I'm done
Things were kool
Time was easy
Had a lot of fun but
The thick bars
Carving the deep scars
Not a life too see
Jus the bright old stars
Create the light of the night
I'm trapped in
Through the darkness I fight
I fight every night
Coz I can't give up now
Gotta live some how
For the tymes I had
For the tym to come now

Jibon to shob shunno booke
Aami, dukkho shagore
Oddrissher stobdo kaara
Nishchhidro, ondhokare

Jibon to shob shunno booke
Aami, dukkho shagore
Oddrissher stobdo kaara
Nishchhidro, ondhokare

Morujhore noshto neer, aami aajo bodhir
Bhaangoner proti bimbotaa,
Tobu opekkha orthoheen, aami claantiheen
Duu chokher ghono ghotaa...

N now it's hard too find the dayz
That I've lost
M goin thru the phase
Half crossed
The last left memories
Fade away
N every dark nite to come
Takes away the pain
I've been feeling in my veins

For dayz I've done
N all the hopes
Gone down 2 the drains n I'm
Lost in the dark
Wit a little left memory... I
Spent in the park
N now it feels all same 2 me

Night or day a light
Peeps through the vent
I'm held bak
In the dark room n then
I looked out for hope
Looked through the bars
No life
Just the same old stars
Create the light of the night
I'm trapped in
Through the darknes I fite
I fight every night
Coz I can't give up now
Gotta live some how
For the tymes I had
For the tym to come now

Jibon to shob shunno booke
Aami, dukkho shagore
Oddrissher stobdo kaara
Nishchhidro, ondhokare

Morujhore noshto neer, aami aajo bodhir
Bhaangoner proti bimbotaa,
Tobu opekkha orthoheen, aami claantiheen
Duu chokher ghono ghotaa...

Morujhore noshto neer, aami aajo bodhir
Bhaangoner proti bimbotaa,
Tobu opekkha orthoheen, aami claantiheen
Duu chokher ghono ghotaa...

Morujhore noshto neer, aami aajo bodhir
