Kano je tumi amar mone hoy
Jaani amar e noy
Theke theke bhoy hoy shiyore
Amar ei joy

When you left me all behind I had
Nothing left to lose
Every time I tried to stand up on my feet
I had to choose,
If I had to live had to let you go
I tried I wished I could
For the good times you've taken away
You're gone for good...

I wont let me fall
Tumi chhere gecho bohu duur...
You wont have it all
Paaltai ni amar shur...

Chhere jawar she shomoy
Shudhu shonir e bhasha je noy
Sritir e abek khoy
Aaj amar mone hoy...

All the pain that left scars
Makes me feel that you're so far,
Miles away from you
I'm still hard to live the war
And now I'm feeling it all again
She makes me feel I should
Gained her for losing you,
You're gone for good...

I wont let me fall
Tumi chhere gecho bohu duur...
You wont have it all
Paaltai ni amar shur...
Mone hoy
She shomoy
Bhalobasha she to noy
Mone hoy

Bhalobasha she to noy

I wont let me fall

Tumi chhere gecho bohu duur...

You wont have it all

Paaltai ni amar shur...
