All alone I sit looking out of the window
And the rain just keeps coming on down
Well I cry to myself
So many things that I've done wrong
Now I'm watching you walk out

There goes my baby
Moving on down the line
Wonder where, wonder where
Wonder where he is bound

I broke his heart
And made him cry
Now I'm alone, so all alone
What can I do, what can I do

Where is he going
How is he what is he gonna do
Where is he going
And what on earth will he be going through oh

There goes my baby
Moving on down the line
Wonder where, wonder where
Wonder where he is bound

I broke his heart
And made him cry
Now I'm alone, so all alone
What can I do, what can I do

Sing this song forever
Till we're back together
