I remembered when they told you that you had to leave
it out

That the King of the Road faded on a Saturday;
that's what it's all about

The 100 Club on Monday was the only place to be
Bultex on a Tuesday; what else did you need?

Everybody's rocking to the rhythm of the
reggae sound

No one wants to get left out, everyone's
around

Are you mod?

Are you a skin?

Are you punk?

Or are you just faking?

Are you mod?

Are you a skin?

Are you punk?

Or are you just faking?

Are you in it for a love, boy? Are you in it for the
change?

Are you in it for anything? Well, I'm in it all
the same

My band upon my back, son; we're back
there again today

It's not the same as the last one, but
anything makes a change

Now everybody's dancing to the motor city
beat

You got to look real sharp, boy; you got to move your
feet

Are you mod?

Are you a skin?

Are you punk?

Or are you just faking?

Are you mod?

Are you a skin?

Are you punk?

Or are you just faking?

Well, there they caught you skanking to the sick new

bleeding fun
Everything's just dandy; just stay and
fucking run

Are you mod?
Are you a skin?
Are you punk?
Or are you just faking?
Are you mod?
Are you a skin?
Are you punk?
Or are you just faking?

Is there a mod?
Are you a skin?
The punk rockers, we're hearing it again
Is there a mod?
Are you a skin?
The punk rockers, we're hearing it again
