I've seen children runnin',
I've seen worlds collidin',
I've seen the clocks tickin',

I've seen heat risin',
I've seen winter dyin',
And waters overflowin',

Theres extinction in all i see,
Some impending big calamity,
Crops growing less every year,
Starvations already here,

(Chorus)

I'm a see'er, of what comes in my dreams,
A believer, of what they tell me will be,
I'm a watcher, counting all the signs,
A frustrater, you'd rather be blind,

I've seen invaders faces,
I've seen the lunar bases,
And the end of races,

I've seen hurricanes turnin',
I've seen the red cross stagin',
Just for evacuating,

Theres armies on every shore,
Cause all these whores want is more,
All they do is take, take, take,
I think the backs about to break,

(Chorus)

I'm a see'er, of what comes in my dreams,
A believer, of what they tell me will be,
I'm a watcher, counting all the signs,
A frustrater, you'd rather be blind,

(Musical interlude)

Look to the corporations,
I've seen men's enslavement,
On your monthly statement,

Religious hates rizin',
Ru486'in,
The start of the second comin',

As you wonder whose to blame,
R.f.i.d.s inside your veins,
And on your arm, 666,
Just take a look at it,

(Chorus)

I'm a see'er, of what comes in my dreams,
A believer, of what they tell me will be,
I'm a watcher, counting all the signs,
A frustrater, you'd rather be blind
