I don't wanna be, rescued from nothing,
Sometimes nothing, is what i want to be,
And I'm just not scared, to be stuck in some nowhere,
Sometimes nowhere, is where i want to be,

(Chorus)

But when the sun starts going down,
And there's no one hangin' round,
And there's nothing on TV,
Don't leave me lonely...that's not where i wanna be,
Don't leave me lonely...i wish that you could see,
I don't wanna be lonely...its not the place for me,

I like to drink alone, and hate that fucking phone,
One more phone call, just might drive me to drink,
I'm married on the internet, to some chick i haven't
met,
How come bitching, costs me a connection fee,

(Chorus)

But when the sun starts going down,
And there's no one hangin' round,
And family guy is a repeat,
Don't leave me lonely...that's not where i wanna be,
Don't leave me lonely...i wish that you could see,
I don't wanna be lonely...its not the place for me,

(Musical interlude)

Sometimes i feel such pain, that might drive you
insane,
But my pain, is just a part of me,
I make a good living, playing this 6 string thing,
Sometimes living, is just to hard for me,

(Chorus)

But when the sun starts going down,
And there's no one hangin' round,
And its cold under the sheets,
Don't leave me lonely...thats not where i wanna be,
Don't leave me lonely...i wish that you could see,
I don't wanna be lonely...its not the place for me
