[Verse 1]

NightmaresÂ...

Non fictionÂ... I don't live a lie

Success is my chauffeur, itÂ's what IÂ'm driven by

Perpetual presence, you canÂ't get rid of mine

They threw stones, and I used em to build a enterprise

Fuck what the critics sayÂ... Man, this shit a classic

I just hope that it can reach a broader demographic

Centerfold potentialÂ... None of my bitches average

You ainÂ't bringinÂ' nothin to the table, ainÂ't no

sittinÂ' at it

The bottom is where I started from

But these days the bottomÂ's where IÂ'm departing

from

No one acknowledged these movements

Until I started one

Was puttinÂ' in the groundwork

Waited for results to come

Since my beginning, been supplying shit with ether

Kill you on ya track since you been dyinÂ' for a feature

(Sp) I think itÂ's funny

How all of you niggas commentating

Know IÂ'm in the game

While you admire from the bleachers

[Hook]

(Narration)

[Verse 2]

They familiar with the name, but ainÂ't a heard Â'em
rap

Heard ya comparisons, but I aint concerned with that

IÂ'm burninÂ' up like jim rome, check the thermostats

Let a nigga shine, open blinds or move the curtains
back

(Sp) meet the nigga that you slept on

Watching niggas discuss about whoÂ's next on

All my niggas official, they aint gotta be verifiedÂ...

But them the same people that I blew (blue) checks on

I ainÂ't in a position IÂ'm content with

That's prolly why ya top five is lookin like my hit list

Killin' shit is automatic, what you drive? A stick shift?
All my hoes foreign, aint no tellin' what they mixed
with
Released the foundation, and it sorta buzzed
With no outlets, I couldn't afford a plug
But stayed consistent
Dropped kray and gave 'em more to love
Meanwhile, these niggas still sleeping... Jordan shrug
