Huh, yeah!
What up Euroz?
Iâ'm in!
OK! Whole team eating, if I got it, then the crew got it
New watches, no bank accounts, shoe boxes
A bitch that fuck me whenever, no matter whoâ's
watching
And I ainâ't Sanchez, but I got a few options
Label calling, so you nigga should call it quiz
Loving Lord seems for any nigga that I started with
Every day I photo shoot, they try to make em charge
the stick
Cause we get fast money, though itâ's all legit!
Niggas hating, but they still watch me
Cause I raise the bar when nobody despise me
Men name another rapping in your top five
Regarding your sign niggas, bet Iâ'm in their top free!
Is it me, or is it you running out of options?
Run game and had your bitch coming out the pockets
Itâ's me Easy got the fall, â...got the winner
And Easy dropped it slow, for some is not an option!

Chorus:
Mind on the money, counting all this paper
While Iâ'm waving bye to the haters
Cause they know itâ's up!
Stay grinding, all the moves that weâ're making
Till the top, swear this hoe worth it take it
Cause they know whatâ's up!
All wins, Louis Vuitton breaks
Youâ're the hottest, some win, gotta say
Cause they know whatâ's up!
Weâ're straight! My team win good
Everybody grab a mother fucking play
Cause they know whatâ's up!

A lot of niggas talking money, I ainâ't seen shit
Easy red God flow, rappers re-pimp
Baptized with the... what is all here
Smoking loud with Diddyâ... thatâ's my wholeâ...
He told me kill these niggas, so I assassinate

That SKQ, now feel the after shakes
You think it's Tokyo, bitch catch the Holly Ghost
... till I almost overdose
So are we here to stay, now haters clear the way
You could be gone tomorrow, so I'mma start today!
I'm smoking now in public, you put the blunt away!
We're in a restaurant, Redd, put the gun away!
And if you see me dropping up, run the other way
Cause it will jump out the window like a runaway!
A round... I got four-five styles
Fight with dealers in the street...
Gone!

Chorus:

Mind on the money, counting all this paper
While I'm waving bye to the haters
Cause they know it's up!
Stay grinding, all the moves that we're making
Till the top, swear this hoe worth it take it
Cause they know what's up!
All wins, Louis Vuitton breaks
You're the hottest, some win, gotta say
Cause they know what's up!
We're straight! My team win good
Everybody grab a mother fucking play
Cause they know what's up!
