Okay you bad as ever, long hair, caramel  
And you think a teen school will go and get  
Â'cause you know this world ainÂ't gonna hand you  
shit,  
It ainÂ't gonna hand you shit, guys get the any man  
you pick  
LetÂ's smoke kush, f\*ck for hours then pass out like a  
man you scribe  
Now how assign to you? You really tryinÂ' to do that?  
Young nigga with sex drive, like IÂ'll help you get your  
boo back,  
Get behind you then beside you, fist full of head and  
pull that  
A lot of maintain to talk about it, me IÂ'm tryinÂ' to  
prove that.  
But after that itÂ's hard to get it, got money but itÂ's  
small to get  
But tour would go, but you youÂ're rolling with  
I mean meeting you would be the coldest shit,  
HeÂ's in hurse, her and I, you and me,  
She do herself from time to time for the most part she  
doing me

Hook:

Yeah, she badder than mother,  
What good is doing us? if we can do each other,  
If weÂ're the one to cover, like 5-02s in this bitch,  
IÂ'm gonna work you out, like tabu in this bitch.

Girl I wanna lay you down, work, lay you down, work  
Lay you down, lay you down, work, lay you down, work  
Know IÂ'm bout to put it down, work, put it down, work  
Put it down, put it down, work, put it down, work.

I love the way that you work it,  
Pointed out in this Porsche  
She fly as hell but she groundin  
Even all the attention in curves get,  
Every time you nice at this lame niggas  
They assume that this flirtin,  
But that shit you ainÂ't concerned with,

F\*ck with me and Iâ€™ll make it all worth it,  
No guarantees and you could bring it back,  
You caked up I need a piece of that,  
Hot the night, Iâ€™ve been blowing money,  
Youâ€™re just not to tell me, I just keep a try,  
Your body wanna make a nigga sing on it,  
From the tattoos I sing on it,  
Bad as fuck I mean bad enough to make any man  
throw a ring on it,  
Canâ€™t wait to do my thing on it, I mean itâ€™s up to you,  
New coop to see subtle tune, we can do the shit that  
you love to do,  
Let a young nigga show you something new,  
And thatâ€™s real talk, face down, ass up,  
After that, we gonna see if we can walk, that work
