[Intro] Mizz Redz

Believe in yo self, believe in yo self, believe yo self, P.I.

[Verse 1] Al-Baby

I'm going through some things in my life I'm separating  
the wrong from the right I'm learning to be  
independent as I become a person of my word I got big  
goals and big dreams yeah, I got some lyrics and a  
melody hey, now all I need is for me to believe in me  
and I can be anything

[Hook] Al-Baby {w/ Mizz Redz}

I'm looking in the mirror studying the curves of my face  
realize that I can be anything I say to myself now don't  
cha, don't cha, {don't cha turn your back on me}  
I see potential of the things that I can be and I realize  
that it starts within me and I say now unto myself now  
self {don't turn your back on me}

[Verse 2] Al-Baby

Despite all of my tribulations I gotta find time for  
relaxation as I think about just what it is I wanna do with  
my life yeah, No matter what I decide to do I must  
promise myself that I'll follow it through 'cause if I like  
my friends just let me down, tell me who can I run to,  
who can I count on now

[Repeat Hook] w/ Al-Baby ad-libs

[LaPret Rap]

Now life ain't worth living if you ain't gon make it worth  
living even if you going through some things you can  
make it happen it doesn't matter if you 24 or 47  
whoever said that your age was a speed limit ain't no  
stop signs yo you can be anything just put yo mind to it  
and you will succeed wit it come on you can do it 'cause  
we believe in you and most of all you believe in you

ain't the right (true) Now the only person who could eva  
let you down is you and that's only if you don't wake up  
and follow yoself through and yo it doesn't matter if  
your friends cheer you on yo it ain't gon last if it ain't in  
yo heart

[Bridge] Al-Baby (LaPret)

It doesn't matter what you've done it doesn't matter  
who you are,  
Anything is possible when you look beyond (look  
beyond yo flaws)

[Repeat Hook twice] w/ Al-Baby ad-libs

[Break] Mizz Redz

Yo, you gotta believe in you just don't depend on  
someone else, put just as much faith and confidence in  
yo self, that way when times get tough at least you  
know you got yoself

[End-Bridge] Al-Baby

I'm looking in the mirror every day & I see what I can be  
self don't turn your back on me
