Doo-ooo-ooo-ooo-ooo-ooo-ooo

Doo-ooo-ooo-ooo-ooo

A little bird told me that you love me (That you love me)

And I believe that you do (I believe)

This little bird told me I was fallin' (Really fallin')

Fallin' for no one but you (No one but you)

There's no use denyin'

I might as well confess

Of all the boys I know, dear

I'm sure I love you best

The little bird told me we'd be happy (Oh, so happy)

And I believe that it's true (So true)

A little bird told me we'd be married (Gonna get married)

And I believe that it's true (Doo-ooo)

This little bird told me when we marry (When we get married)

We'll have a pretty cottage, not too far (Yah!)

All fenced in like a movie star (Solid!)

A Great Dane pup, we'll call him Ace (Woh!)

Lying there by the fireplace (Gone!)

A goldfish pond and a wishing well

Everything is gonna turn out well

(A little bird told her she'd be married) Doobie-doobie-doobie-doo

(And we believe that it's true)

(This little bird said she'd have a fam'ly) Yucka-pucka-pucka-puck

(Now tell us what we're gonna do)

We'll have a pretty cottage, not too far (Yah!)

All fenced in like a movie star (Solid!)

A Great Dane pup, we'll call him Ace (Woh!)

Lying there by the fireplace (Gone!)

A goldfish pond and a wishing well

Everything is gonna turn out well

A little bird told me we'd be happy

And I believe that it's true

(She believes that it's true)

And now I know that it's true  
(Come June it's bound, bound to come true)
