Hey blueberry cotton  
Come sit next to me  
Hey blueberry cotton  
Did you know it was me?

Told you I was coin  
And the sun rose for me...  
Saw the happiness runnin  
And I knew it was meant to be...  
And I feel this is the  
Happiest I've ever been

Hey blueberry cotton  
Come sit next to me  
Hey blueberry cotton  
Did you know it was me?

Its ok you can take your time,  
I don't mean to rush you...  
Just please tell me  
This one simple thing,  
And make your answer the truth...  
Is this the happiest?  
you've ever been?

Hey blueberry cotton  
Come sit next to me  
Hey blueberry cotton  
Did you know it was me?

A traveling man,  
Has a Journey in hand...  
And he walks through the land,  
All alone  
And no one know who  
He is,  
He's a rare event...  
He knows he's not  
The best,  
But he still says,

He says

Hey blueberry cotton  
Come sit next to me  
Hey Hey blueberry cotton,  
Hey blueberry know it was me?

Hey blueberry cotton,  
Blueberry cotton  
Hey blueberry cotton,  
yeah yeah,  
Did you know it was me?
