She said,
"Let's go take a walk,
Nothing bad, I just wanna talk to you..
For the last time."
Painstruck,
With no one in sight,
I'm about to cross the line of turning back.

Sometimes, the unbreakable breaks in half.
Sometimes, the unexpected happens too.
Sometimes, the inexcusable is excused.

Life isn't life when things aren't fair.
Love isn't love when you're not there.
A heart is a painful thing to share.
There's colorful raindrops everywhere.

Stomp, stomp, you're stepping on my heart.
You're stepping on it, why?
I wanna cry.
Bang, bang, you're shooting at my brain.
You're making me insane.
Heaven knows my name.

Sometimes, the unbreakable breaks in half.
Sometimes, the unexpected happens too.
Sometimes, the inexcusable is excused.

Life isn't life when things aren't fair.
Love isn't love when you're not there.
A heart is a painful thing to share.
There's colorful raindrops everywhere.

La la la la la la la la la.
La la la la la la la la la.
La la la la la la la la la.
Eh-ee-yeahh-
La la la la la la la la la.
There's colorful raindrops everywhere.
There's colorful raindrops everywhere.

Life isn't life when things aren't fair.
Love isn't love when you're not there.
A heart is a painful thing to share.
There's colorful raindrops everywhere.
