Alex Wolff
"Disappointed"

My mama says I'm great,
My hair is curly but I'd like it straight.
I don't go on no dates,
My mama says I'm better than them anyway.

I'm not mad at no one else.
I'm disappointed in myself,
And I don't care if no one can tell,
Cause I don't wish on wishing wells,
Cause they don't work so what the hell?

I don't like my big nose.
Its bigger than anything,
From my head to my toes.
I don't like my big face.
Cause nothing on this earth,
Needs that much space.

I'm not mad at no one else.
I'm disappointed in myself,
And I don't care if no one can tell,
Cause I don't wish on wishing wells,
Cause they don't work so what the hell?

I'm not mad at no one else.
I'm disappointed in myself,
And I don't care if no one can tell,
Cause I don't wish on wishing wells,
Cause they don't work so what the hell?

Help feed the homeless,
Well help the insecure.
Help me find out if I'm dirty,
Or if I'm pure.
Cause I'm trying to figure out,
Who I'm supposed to be.
Do I deserve to go on happily?

I don't wish on wishing wells,
Cause they don't work so what the hell?
I don't wish on wishing wells,

Cause they don't work so what the hell?
I don't wish on wishing wells,
Cause they don't work so what the hell?
I don't wish on wishing wells,
Cause they don't work so what the hell?

I'm not mad at no one else.

(Instrumental)

I'm not mad at no one else.
I'm disappointed in myself,
And I don't care if no one can tell,
Cause I don't wish on wishing wells,
Cause they don't work so what the hell?

I'm not mad at no one else.
I'm disappointed in myself,
And I don't care if no one can tell,
Cause I don't wish on wishing wells,
Cause they don't work so what the hell?

I don't wish on wishing wells,
Cause they don't work so what the hell?
I don't wish on wishing wells,
Cause they don't work so what the hell?

So what the hell?
