### "I Could Be"

Visit "[I Could Be](#)" on [MotoLyrics.com](https://MotoLyrics.com)

I could be anything I wanna be  
I could be anything I wanna be

Like a bird flyin' up in the tree  
Like a bee stingin' for honey

I could be anything I wanna be  
I could be anything I wanna be

Like a fish swimmin' in the sea  
Like a copy of someone like me

I could be...  
I could be...  
I could be...  
I could be...

(Drum Solo)

I could be anything I wanna be  
I could be anything I wanna be

Like a rapper for example J.Z.  
Like a skateboard prodigy

I could be  
I could be  
I could be

I could

I could be  
I could be
