Sometimes I laugh when its not funny,
Sometimes I cry when its not sad.
Sometimes it rains and its not sunny,
And when I dream of you it ain't so bad.

Do you ever think of me,
When the balloons fall?
When the party's over,
You can't remember it at all.

Won't you let me sing you a lullaby?
Won't you let me kiss you goodnight?
Won't you let me tuck in to sleep?
I'll promise you the happiest of dreams.

Sometimes I see what is not there,
Imagining that I could feel your blond hair.
Sometimes I act like I don't care,
So no one can hear my heart tear.

Do you ever think of me,
When the balloons fall?
When the party's over,
You can't remember it at all.

Let the light into your room,
Clean it up with a broom.

Won't you let me sing you a lullaby?
Won't you let me kiss you goodnight?
Won't you let me tuck in to sleep?
I'll promise you the happiest of dreams.

What did I do to make you leave?
Because without you I can't proceed.
Can I fix what I've messed up?
I start to think of a half filled cup.

Do you ever think of me?

Won't you let me sing you a lullaby?
Won't you let me kiss you goodnight?
Won't you let me tuck in to sleep?
I'll promise you the happiest of dreams.

Won't you let me sing you a lulla...
Won't you let me sing you a lulla...
Won't you let me sing you a lullaby?
