You're obviously the star of the class,  
You make all the good times last.  
You make all the bad hours pass,  
And girl you make me laugh.

Your voice is raspy, yeah, oh.  
Your always happy, yeah, oh.  
When the girl finally sees,  
The guy is on his knees,  
And he's begging please.

Thump, thump, thump goes my heart again.  
Thump, thump, thump goes my heart again.  
No, she's not just a normal friend,  
Thump, thump, thump goes my heart again.  
Goes my heart again.

When skies are gray,  
You make them blue.  
And I know that other guy,  
Likes you too.  
And I promise that'll be through,  
Cause I was meant to be with you.

Your voice is raspy, yeah, oh.  
Your always happy, yeah, oh.  
When the girl finally sees,  
The guy is on his knees,  
And he's begging please.

Thump, thump, thump goes my heart again.  
Thump, thump, thump goes my heart again.  
No, she's not just a normal friend,  
Thump, thump, thump goes my heart again.

Head over heels,  
Can't express the way I feel.  
Head over heels,  
No, it can't express the way I feel.

Thump, thump, thump goes my heart again.

Thump, thump, thump goes my heart again.  
Thump, thump, thump goes my heart again.  
Thump, thump, thump goes my heart again.  
Thump, thump, thump goes my heart again.  
Thump, thump, thump goes my heart again.  
Thump, thump, thump goes my heart again.  
Thump, thump, thump goes my heart again.  
Thump, thump, thump...  
Thump, thump, thump goes my heart again.
