You don't know how hard I try,
Or how much I have ached
Just to hold you in my arms,
I take all I can take
And you don't know how many times
I've longed for you to see
What it is I feel for you
And all you mean to me

[Chorus]
How my heart aches, but it won't break
I can be strong, I can hold on
I will stand alone, till you're finally home
But I won't let you lose me

When a woman loves a man like you,
She swallows all her pride
And I have done that and worse,
To be by your side
I tell the world to go to hell
I don't even care or cry
Cause when you take me in your arms...
Feels like heaven's holdin' tight

[Chorus]
How my heart aches, but it won't break
I can be strong, I can hold on
I will stand alone, till you're finally home
But I won't let you lose me
[repeat]

I won't let you lose me
I won't let you lose me
I won't let you lose me
