By Stephen Stills w/5th verse by Alexa Hamilton

There's somethin' happening here  
What it is ain't exactly clear  
There's a man with a gun over there  
Telling me I got to beware  
I think it's time we stop,  
Children, what's that sound  
Everybody look what's goin' down

What a field day for the heat  
A thousand people in the street  
Singing songs and carrying signs  
Mostly say, hooray for our side  
I think it's time we stop,  
Hey, what's that sound  
Everybody look what's goin' down

There's battle lines being drawn  
Nobody's right if everybody's wrong  
People are speaking their minds  
Getting so much resistance from behind  
It's time we stop,  
Hey, what's that sound  
Everybody look what's goin' down

Paranoia strikes deep  
Into your life it will creep  
It starts when you're always afraid  
Step outta line, the man come and take you away  
You better stop,  
Hey, what's that sound  
Everybody look what's goin' down  
[repeat]

There's somethin' happening here  
The skies are no longer clear  
And the truth is a tissue of lies  
The Ice caps are melting while the innocent die  
When we gonna stop,  
Hey, what's that sound

Everybody look what's goin' down  
Stop now, what's that sound  
Everybody look what's goin' down  
[repeat]

What's goin' down  
What's goin' down  
What's goin' down  
What's goin' down
