I remember the day when the mojo ran away
You say you're here to back us going down that way
You're the one whose ratting on these cards of plenty
You're thumb is working on another victory
12 has come and none are ready
No telling officer

I've had my card
[Chorus]
Deep tricks and Tivo inculded
Just to tell them all I want to be an air force pilot
Roll it on and roll it on
Your treason for reason you haven't get
And don't forget

Lord had a dream, cash trip
OH NO!
Love is a word
Plus and you're all going up
We'll become quite and count alone
What's happened to the photograph you must have
show?

[Second Chorus]
Deep tricks and Tivo inculded
Roll it on and roll it on
Just that right now I want to be an air force pilot
And don't forget

Your day jobs for midgets to let them jam
[Bridge]
To help warning you
I was warning you
Why help warning you?
WHAT ARE YOU DOING!

Deep tricks and Tivo included
[Outro]
And roll it on
Deep tricks and Tivo included
And roll it on
And roll it on

Deep tricks and Tivo included
Gave back the picture to her
