Caught in the middle is my mind
Caught in the middle is my mind

One side of me you love, one side of me
You love, you love one side of me
You love, you love one side of me
You love, you love one side of me
This one side of me you love

In the middle my head is spinning
Now I don't want to lose my mind

Caught in the middle is my mind
Caught in the middle is my mind

One side of me you love to hate, one side of me
You love to hate this side of me
You love to hate this side of me
You love to hate this side of me
This one side of me you hate

In the middle my head is spinning
Now I don't want to lose my mind

Caught in the middle is my mind
(You love to hate, you love, you love to hate)
Caught in the middle is my mind
(You love to hate, you love, you love to hate)

One side of me you love
(One side of me is the one you love)
One side of me you hate
(Caught in the middle is my, in the middle is my mind)

One side of me, one side of me
One side of me, one side of me
(One side of me is the one you, one side of me is the
one you hate)

Caught in the middle is my mind
(You love to hate, you love, you love to hate)
Caught in the middle is my mind

(You love to hate, you love, you love to hate)

One side of me, one side of me

One side of me, one side of me is the one you hate
