Everyone down on the floor  
No sudden moves and lock the door  
I've got this feeling I'm chasing  
I'll never rest until I find it

I've been plotting away in my heart every day  
To put this plan into action  
And though I try to resist, I find the thing is this  
Until I get it, there's no satisfaction

I want something you have  
I want it oh so bad  
Don't move, hand it over  
I won't stop till it's in my hands

Deep in the recess of every man  
Is a thief, a robber, a criminal  
Below the surface of every hero  
Is an envy, a restless evil

And though I try to resist, I find the thing is this  
Until I get it, there's no satisfaction

I want something you have  
I want it oh so bad  
Don't move, hand it over  
I won't stop till it's in my

I want something you have  
You must meet my demands  
Don't move, hand it over  
I won't stop till it's in my hands

Evil, evil  
Evil, evil

I want something you have  
I want it oh so bad  
Don't move, hand it over  
I won't stop till it's in my hands

Something you have

Something you have  
Something you have  
In my hands
