Big business ain't easy, I'm sure you'd agree  
Especially when the product is eternity  
To stay one step ahead we must achieve  
And turn this holy temple into a factory

Is there anywhere you can run to hide from these  
thieves?  
'Cause eternity is on sale today for a fee

Faith is buying me away, buying me a way  
To convert the masses into little servants  
Faith is buying me away, buying me a way  
Buying me into your home

Our sanctuary of this high-rise, our steeples our  
billboards  
Our slogans our converts  
Oh, don't forget to buy this T-shirt as you leave  
And open up the offering box and give until it hurts

Show me an open heart and we'll steal it away  
'Cause eternity is on up for sale for a small fee today,  
you know

Faith is buying me away, buying me a way  
To convert the masses into little servants  
Faith is buying me away, buying me a way  
Buying me into your home

Faith is buying me away, buying me a way  
To convert the masses into little servants  
Faith is buying me away, buying me a way  
Buying me into your soul

Oh, this altar is a stage  
And maybe one make the front page  
Our sponsor must be paid  
And maybe one even make the front page

Faith is buying me away, buying me a way  
To convert the masses into little servants  
Faith is buying me away, buying me a way

Buying me into your home

Faith is buying me away, buying me a way  
To convert the masses into little servants  
Faith is buying me away, buying me a way  
Buying me into your home

Faith is buying me away, buying me a way  
To convert the masses into little servants  
Faith is buying me away, buying me a way  
Buying me into your soul
