They put disguises today
To hide the scarlet letters
That each of us has put so far away

In this witch trial, modern day

Despite this, it seems that the powers that be
Have decided who I am
And who I will be

In this witch trial, modern day

Who I am, who I'll be
Has been decided for me
And they don't even know me

Who I am, who I'll be
Has been decided for me
And they don't even know me

As they pounded in the stake
I thought I heard them say
Become like us or you will be slain

In this witch trial, modern day

Who I am, who I'll be
Has been decided for me
And they don't even know me

Who I am, who I'll be
Has been decided for me
And they don't even know me

You can't tell me who I am

In this witch trial, modern day

Who I am, who I'll be
Has been decided for me
And they don't even know me

Who I am, who I'll be
Has been decided for me
And they don't even know me

Who I am, who I'll be
Has been decided for me
Who I am, who I'll be
Has been decided for me

Who I am, who I'll be
Has been decided for me
Who I am, who I'll be
Has been decided for me
