mmmm... women
all around the place
come and see me
face to face
if you got troubles
i'm the man for you
if you are worried
you'll be smilin too

make you feel alright(make you feel alright)
i'll make you feel alright (make you feel alright)
make you feel alright now(make you feel alright)
i'll make you feel alright

mmmm....women
come along to me
i'll treat you good now
just wait and see
if you are dying
of a broken heart
just come and see me
right from the start

make you feel alright(make you feel alright)
i'll make you feel alright(make you feel alright)
