Count your blessings  
Not your burdens  
Count your blessings  
Not your burdens  
I'm alive, just for now

I know that I can't turn back the clock  
Your holding the key and  
I'm holding the lock  
The past will never change  
Standing still can't keep me safe  
Anymore...

What where am I?  
Do I know you?  
I've seen this before  
And it don't look good  
It don't look good  
And then I see a light

I know your biggest secrets  
I know your down falls  
Cross paths with me  
And I'll show you that's not all  
I'm not amongst you  
But I will never die

I know that I can't turn back the clock  
Your holding the key and  
I'm holding the lock  
The past will never change  
Standing still can't keep me safe  
Anymore...

I know your biggest secrets  
I know your down falls  
I know your biggest secrets  
GameOver  
I know your biggest secrets  
I know your down falls

Lets play a game  
We'll play it everyday  
Lets play a game  
We'll play it everyday
