This is our payback

We're coming to get you!

We have foreseen what the future will be!

We have foreseen what the future will be!

Mind and (...) body

State Of Emergency

Sick Of My Life

Drunk With A Gun

Bigger then ever

We're coming undone

We have foreseen what the future will be!

Mind and (...) body

State Of Emergency

Sick Of My Life

Drunk With A Gun

Bigger then ever

We're coming undone (done done coming undone...)

We have foreseen what the future will be!

Mind and (...) body

State Of Emergency

Sick Of My Life

Drunk With A Gun

Bigger then ever

We're coming undone

Better be quiet

We are the future!

We have foreseen what the future will be!

Mind and (...) body

We're coming to get you!

We have foreseen what the future will be!

Mind and (...) body

State Of Emergency

Sick Of My Life

Drunk With A Gun
Bigger then ever
We're coming undone
This is our payback!

We have foreseen what the future will be!
