Working on a machine  
In this building  
Do you know what I mean?  
The walls are grey  
So are the thoughts  
They all obey  
Living in this state  
Is like hell  
Fear dominates  
Everything is upside down  
Aggression rules  
In this town

My mind is collapsing  
My mind is collapsing  
Minds are collapsing  
Is this the end?  
Crowds are walking  
My mind is collapsing

No one laughs here anymore  
If someone cries  
They do ignore  
Living in this machine  
Only watchwords  
On the screen  
Nature is annihilated  
Snd sex life  
Is regulated

Love is abused  
Money is god  
No one refused

My mind is collapsing

My mind is collapsing  
My mind is collapsing  
Minds are collapsing  
Is this the end?  
Crowds are walking

My mind is collapsing  
(2x)

Whipeout this town  
My mind is collapsing  
Whipeout this town  
Is this the end?
