It's a tricky world
We are born into
There's a spiral down
Prepared for you
All you have to do
Is to sell your doubts
To the one who
Pays you the most

Damned into silence
Your heart starts to burn
And money won't soothe the pain
Caused by a lie
Through seeing a way down
Your chances grow
To find your way out of the plan
To make you feel alone

Do you see - they are all here
One by one - they open their eyes
And spread their wings - right beside you
They start the fight - against the lies
