Is you ready like im ready
Im so ready and im high
Im so ready bend on over ho
And let me touch this fire
Is you ready like im ready
Im so ready and im high
Im so ready bend on over ho
And let me touch this fire

[chorus]

I wanna bang bang bang, smack smack smack
Girl let me bang bang bang, smack smack smack
I need to bang bang bang, smack smack smack
I gotta bang bang bang, smack smack smack
[chorus]

Bang bang skeet skeet, parked in da back seat
Kush got me high, brains from da neighborhood freak
Sweep ya right up off ya feet, prince charmin fairy tail
Ya heard i was a dog, imma work wit ya scary tail
Take ya on a date, eat drank and be merry
Im tryna get ya drunk and high, box out ya cherry
Im strokin long and hard makin sounds of a plunger...
LIKE A PLUNGER

And when i pull it out you gone shoot like an oil rig
I'll shake ya like a earthquake, put da snake on ya plate
And watch ya mouth eat my snake up like a mongoose
Presidential head, blowin smoke thru da sun roof

[chorus]

Now put ya face on the gas then elevate that donkey
Its dark and im high, i coulda missed that monkey
"Oops wrong hole" what she said when i went it
Rose-A-Mo got a nigga straight silly
I popped back up now we in our third innin'
Lean in my cup so you know i aint finnin'
In it, from the back tryna smack smack it off
Ya mama named ya Jacqueline, we call ya Jackie jack it
off
Them Victorias Secret yeah yeah i had to snatch it off

Double D bra strap ima unlatch it off
Her tongue and some ice cubes will get it crackin off
In her ear drunk talkin tryna get my mackin on

[chorus]

Gucci Mane's verse
