(Intro)

At the end of the day that's all this shit about man
The motherfuckin pesos
That motherfuckin dinero
That cheese nigga

(Hook x2)

Took a loss in these streets, got a nigga head throbbin
Man I'm bout to snap if I don't come up on some dollars
Already got them bricks, I'm bout to bare face robbem
Yea I know his straps so off top I'mma drop em

(Verse)

Out here in these streets, took a loss ain't got a grungin
Shot bout to change, I'm bout to take me some money
I ain't thinkin jail, nigga hell on a Sunday
All up in yo bud, I need some paper for Monday
Fuck the consequences 'cause a nigga need it right
now
Catch yo ass loafin I'mma rob yo ass right now
Battin all night and I've been hungry for a mission
Pressin ass niggas, watch yo ass come up missin
I don't give a fuck cuz a nigga gotta eat
And if a nigga ain't smoking then I can't think
So nigga when I catch a 40 blast like a rocket
You went blood on the ground, I'm going in yo pockets

(Hook x2)

Took a loss in these streets, got a nigga head throbbin
Man I'm bout to snap if I don't come up on some dollars
Already got them bricks, I'm bout to bare face robbem
Yea I know his straps so off top I'mma drop em

(Verse)

My nigga right now I'm really going through a struggle
Tryina feed myself, my son, baby momma
Man I'm dead serious geekin rid of hunger
When it rains and pours you gon feel the thunder
You niggas pull that move got me ridin with a choppa
I'm headed right now to go burn yo niggas' block up
Hear you niggas stress but I'm bout to cut the top out

Of these niggas heads mane, make em straight cop
out
And tell me where the stash at, or you gon get blasted
Bust you in yo back, hole bigger than yo ass crack
Been in these streets ever since I was a young nigga
Penitentiary taught me I'm not a dumb nigga

(Hook x2)

Took a loss in these streets, got a nigga head throbbin
Man I'm bout to snap if I don't come up on some dollars
Already got them bricks, I'm bout to bare face robbem
Yea I know his straps so off top I'mma drop em
