

Project Pat "Choppers"

Visit "[Choppers](#)" on MotoLyrics.com

On the block we got them choppers
We got them choppers in the car, we got them
choppers
We got them choppers at the club, we got them
choppers
We got them choppers, ain't no love, we got them
choppers
We got them choppers

On the block we got them choppers
We got them choppers in the car, we got them
choppers
We got them choppers at the club, we got them
choppers
We got them choppers, ain't no love, we got them
choppers
We got them choppers

Look chopper totin' is my occupation
Set my ground, I'm representing in this situation
Since I was young, it been all about paper chasing
It was a trauma for niggas that been player hatin'

I don't give a fuck, call it short, ten years I was facing
Bitch wanted B.G.z to get out but that ain't 'bout natin'
B.G., a livin' legend that represent the streets
T.V's is what I'm watching while I'm in my Mercedes
Jeep

I don't check niggas then splittin' niggas
I'm thuggin' with Project Pat, we all rich niggas
Presidential Rolex wrapped around my wrist nigga
Nigga hope after the show, I'm fucking yo bitch nigga

Act like a nigga, Cash Money like to shine nigga
Pay attention 'cause we hypnotize yo mind nigga
About my cash, so I stay on the grind nigga
You wanna war, look I'm ready at all times nigga
'Bout mine nigga, get it right, get it right

What you say B.G.z, these niggas better
Get it right, everybody stay in line

Niggas totin' gats and breakin' backs
But in 98, we shine in 99

It's nigga time and I'm gone get mine
Niggas incausterated doing time shouting, "Fuck one
time"
Got limo tents with Rolie's that gone line
Totin' two nine's shots from the front and behind

Let bitch niggas know they can't take mine
I'm using my mind 'cause I'm enhancing doing crime
And you gone hear it in all my rhymes
I'm moving bricks to set tricks making sure

Every hoe I fuck with, suck my dick
My baby momma could miss me with that bullshit
I want the money, a Rolex, a 99 Roles Royce Kaneice
slick
Niggas bettin' shoutin' how you love that?

These other niggas keep stealin' but I don't understand
that
Not fucking these hoes with Project Pat
Nigga tell me, how you love that?
Tell me, how you love that?

On the block we got them choppers
We got them choppers in the car, we got them
choppers
We got them choppers at the club, we got them
choppers
We got them choppers, ain't no love, we got them
choppers
We got them choppers

On the block we got them choppers
We got them choppers in the car, we got them
choppers
We got them choppers at the club, we got them
choppers
We got them choppers, ain't no love, we got them
choppers
We got them choppers

I'm yo dawg, Project Pat ghetto section A
Housing stomach pain, growling got me on the
prowling
Streets got me wildin', backstabbers smilin'
Now I'm catchin' checks for some hundreds and
thousands

I'm housing these bitches man, dope try to down me
Grew up in the hood, so you hoes better crown me
Get from 'round me, I'm a thug be beside me
(Out of state)

Wanna show love but they know they can't know they
fake
When I touch ya dome won't be shit funny
Like Baby and B.G. I want that Cash Money
The fast money I'm addicted to this fast life

Just like a drunk I'm smoking crack out that glass pipe
Yo ass might as well try to jack yo mamma
I never had shit to run up and catch troubles
A real nigga, ya step, ya die, see yo ass
Rather try crack before you try me

On the block we got them choppers
We got them choppers in the car, we got them
choppers
We got them choppers at the club, we got them
choppers
We got them choppers, ain't no love, we got them
choppers
We got them choppers

On the block we got them choppers
We got them choppers in the car, we got them
choppers
We got them choppers at the club, we got them
choppers
We got them choppers, ain't no love, we got them
choppers
We got them choppers

On the block we got them choppers
We got them choppers in the car, we got them
choppers
We got them choppers at the club, we got them
choppers
We got them choppers, ain't no love, we got them
choppers
We got them choppers
