Welcome to the
Hypnotize zone
Today you'll hear the story
Of Russell Resthaven
And the day he tried
To save his girlfriend
Here's the story
Man you won't believe
What done happened
To me now man

What?

How did this nigga
Come round my way
Then f*** my b****
But I'm gone kill him
When he get off
Work tonight though

Man f*** dat h*e man
You can't be tryin'
To save that b****
Man my nigga den
Housed a h*e to
Brown Freesia

Man I spent cheese
On her and everything
And I bought rans
And mo sh*t man
I'mma kill that nigga
Dat I'm goin' marry

You can't turn a h*e
Into a house wife man

I love her man
I love her man
It's mine man

I love her man
I gotta marry her man
I'mma marry her

[CHORUS:]

Don't save her
She don't wanna be saved
(Ain't nothin' going on
But the money and power)
Don't save her
She don't wanna be saved
(Got one in the chamber
For you weak as* coward)
Don't save her
She don't wanna be saved

[Repeat chorus]

I'mma introduce me
Project Pat I keep it real
I'mma introduce you
You's a sucka faking deals
If you gonna let these
Freaky h*es run yo life
I don't understand how
You turn a freak into a wife
I don't need to get why
You be eating out her draws
You done bought the b**** a phone
Now you screamin' in all the calls
It's about O-A.M.
She ain't nowhere to be found
Somewhere wit' her friend d*ck
In face and turned to ground
But you best save it last and
You know that she'll go
Suckin' d*ck, chewin' cad
And I hear she on that blow
Did a line maybe two now
She down to do the dew
Took her to the studio so
She down to do the crew
I know just what to do
You can ask the h*e to leave

Once the b**** pack her sh*t
Hurry up and run them streets
Two things I ain't never in
My life done seen before
It's a U.F.O or a h*e
That wouldn't go

[Repeat chorus twice]

Jackie's simple
Jackie's quicker
Jackie likes to suck a d*ck-a
All she wanna do smoke
A blunt get a drink of liquor
Lip-ah to the balls booty
Even enough to smell dodie
You be tryna save a sweater
But you need the f***in' letter
Be the b**** she really is-a
Suck my d*ck you goin' kiss her
Hating h*es try to dis her
Every nigga wanna hit her
Get her in the bed lay her
Down boots wanna fell
Call her up there nig man
There's a way-a
She the star of the foota
Pussy wet real gooda
Camcorder caught on tape
Did I stutter man I should of
F***ed her in her mouth fast
She be taking all cash
Keep my tank from Florida
She pay for my gas
Ass for my nigga drop-a
Somewhere tryna watch her
Pregnant by another man
But you wanna be the papa
Nut, come, but she crave-a
Backseat misbehava
You'll never get the b****
'Cause she wit' that West Haven

[Repeat chorus twice]

Ain't nothin' goin' on
But the money and power
Got one in the chamber
For you weak as* cowards
And I'm tired of you niggas
Goin' saving dese b****es
Stop saving these h*es
Let another nigga get deep
Down in them draws
Take her over to my dogs
So we can do her y'all
Everybody can do it

Let's just have a ball
Ain't nothin' goin' on
But the money and power
Too many niggas
Out here cowards
They be saving dem h*es
They be paying them h*es
But a nigga like me can not go
I'm be kickin' in doos
I be f***in' dese h*es
I be slammin' 'em
Down like Dominoes
B**** you didn't
Know it's CB bro
In and out dese
H*es does like pole
