You suck me in  
You spit me out  
You say you love me  
I have my doubts

You think I'll do everything for you  
But I'm fed up now  
And we are through

I don't wanna take it anymore  
I'm gonna fight back  
That's for sure

Come back to me  
I love you still  
Come back to me  
Resist his will  
Come back to me  
I kissed your wing  
You sweet everything  
[2x]

Resist his might  
We simply have to fight  
[4x]

He's peeling me out  
Of my shell  
Now I know his world is hell

He's gone too far  
We reached the end  
And all what's left  
Is love  
Pretend

Come back to me  
I love you still  
Come back to me  
Resist his will  
Come back to me

I kissed your wing  
You sweet everything  
[2x]

Resist his might  
We simply have to fight  
[4x]

We simply have to fight  
We simply have to fight
